Subscribers can even send a 'SAFE' SMS indication to a pre-defined group of 10 family members and friends and keep them informed of their wellbeing in case when out alone and during any natural calamity or disaster with just one click, it added.

Customers opting for 'Emergency Alert Service' will be charged Rs 30 for 30 days and they can send this alert even if they don't have minimum balance in their account.

To send an emergency alert, the subscribers can give a call to 55100 and the number registered by him or her will receive voice and SMS alerts with location details of the customer.

Airtel customer can also send this alert through SMS by typing HELP in the message box and sending it to 55100 which will be then transmitted on all the 10 numbers.
